

Planning on pursuing an Honours degree?

The Faculty of Science at UCT is offering Honours bursaries to the value of R120 000 for black South African students who are accepted into a Departmental Honours programme within the faculty in 2017.

Applicants must complete the Form 10a, which is available on UCT's postgraduate degree funding web page. All students who wish to be considered for this funding must also apply for an NRF Honours bursary. Please see closing date for applications to your department of choice on the Departmental websites.

The closing date for this funding applications is 30th October 2016.
