Previous Academic Record (at this or any other university)

Degree awarded (use official abbreviation in country of origin)	University	Year awarded	Distinctions (if any)

Note: Restriction on registration

FH4 A student may not take any course(s) other than those prescribed by the Honours programme for which he or she is registered

Degree code and specialisation

Please select the courses you intend taking this year. Courses are listed alphabetically by specialisation.
Please note that since the overarching course code will not carry a credit, students will be concurrently registered for the coursework and project codes which hold the credits.

Degree (select one)	Coursework electives
Degree code	
Project	
Coursework	

Note: It is your responsibility to regularly check, via PeopleSoft, that you are registered for the correct courses.
